

OUR THOROUGHbred
SERVICE KEEPS YOU IN
THE WINNERS CIRCLE

ARLINGTON FASTENER
COMPANY

IN THE 'RACE FOR BUSINESS,' THE STAKES ARE HIGH. DEPEND UPON ARLINGTON FASTENER COMPANY TO ACHIEVE YOUR 'WINNING EDGE!'

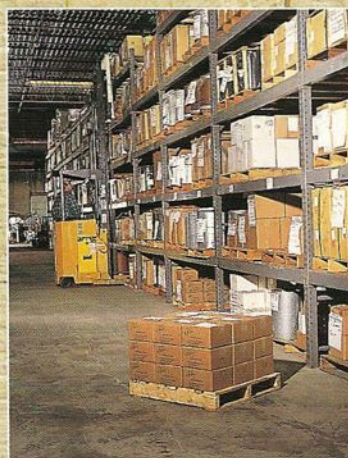

For over a quarter of a century, Arlington Fastener Company's commitment to quality, dependability and service has been our creed. Our pledge is to supply the best quality fasteners at competitive prices and deliver what we promise.

With humble beginnings, Arlington Fastener Company has now grown to over 30,000 square feet with land available for future expansion.

Conveniently located in Barrington, Illinois, a northwest suburb of Chicago, we offer our customers a full line of fastener products, well over 40,000 items in stock. We furnish domestic and import fasteners, standards and specials.

Our philosophy is simple. Every new customer is a potential repeat customer. That's reflected in every fastener we sell. When you call us, be prepared to make a lifelong association.

Consistent quality, personalized service and dependability, at Arlington Fastener Company your satisfaction is our first consideration.

WAREHOUSE, MANUFACTURING FACILITY AND SECONDARY OPERATIONS

Arlington Fastener Company recently relocated to a new and larger facility to accommodate our customers current and future requirements.

As the physical size of our plant continues to grow, so will our commitment to excellence.
